| Inhalte             | <p>Ivo Dimchev beschreibt seinen Workshop folgendermassen:</p> <p>"Do yourself a favor" is a workshop about making yourself a solo. I'm proposing to the participants different ways on developing a solo work. Each individual will explore diverse ways on writing own dramaturgy, dealing with space, objects, contexts, making choices. The aim of the workshop is that everyone at the end of it has a coherent solo performance.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
