English for Research Papers and Dissertations

Angebot für

Bisheriges Studienmodell > Hochschulweites Lehrangebot > Geöffnete Lehrveranstaltungen

Nummer und Typ	PHD-DMU-07.18H.001 / Moduldurchführung
Modul	Wissenschaftsenglisch / Academic Writing Seminar (gLV)
Veranstalter	Departement Musik
Leitung	Mark Kyburz
Minuten pro Woche	60
ECTS	0 Credits
Zielgruppen	Coursework is ideal for PhD candidates and (junior or senior) research staff
Inhalte	In today's global scientific community, publishing research in English is becoming increasingly important. This course builds the skills and the confidence needed to write clearly and concisely for an international audience. It helps participants (1) to produce effective and idiomatic research writing, (2) to improve the readability of their own writing, and (3) to edit their own work. Course contents: - The "ideal text" - Principles of composition - Effective paragraphs and sentences - Enhancing "flow" and readability - Punctuation, tenses, other relevant language aspects - Editorial skills - Useful resources
