Lernziele / Kompetenzen	The aim of the training is to give an understanding of mental associations or images in a movement of physical exploration and creating a connection between the physical and the emotional. The training wants to propose a terrain of discoveries of the psychophysical possibilities of the students, and transcend their limits in a theatrical space.
Inhalte	In this training the participants will acquire a greater understanding of her/his body and of the possibilities of his/her physical expression by exercises on stage and outside the theatre. Characters from everyday's life will be analysed and transferred into the theatre space. The work is based on experimental physical training systems and exercises inspired by Grotowsky, Meyerhold, Chekov.
