Zielgruppen	Alle
Lernziele / Kompetenzen	To conceive and realise one dramatised video piece and one scenic piece in a single scenographic construction.
Inhalte	Starting from a corpus of films developed during discussions with MAT students before the workshop, we will work on a piece on two levels: on the one hand, a video piece where we will approach the work of writing, of the direction of actors and of scenography from the cinematographic models of this corpus, and on the other hand, a theatrical piece emerging from the transformation of the video materials after exposing them to dramatic textual material, and by integrating the use of the image and the screen into the scenic dimension.
Termine	January 20 to February 5, 2021
Bewertungsform	bestanden / nicht bestanden
