

DIG Theorie 3.5 VVK Designtheorie III: Space and Environments

Angebot für

Bisheriges Studienmodell > Design > Bachelor Design > Visual Communication > 3. Semester

Nummer und Typ	BDE-BDE-T-VS-3005.20H.001 / Moduldurchführung
Modul	Theorie 3. Semester VVK
Veranstalter	Departement Design
Leitung	Dr. Tania Messell
Zeit	Mo 21. September 2020 bis Mo 14. Dezember 2020 / 9 - 10:30 Uhr
ECTS	3 Credits
Voraussetzungen	none
Lehrform	The seminar will take place online. It will be composed of lectures and text analysis.
Zielgruppen	Specialization module VVK, 3rd semester
Lernziele / Kompetenzen	Theory and Design History: Knowledge of the multifarious ways visual communication has responded to and shaped our understanding of man-made and natural environments, in an increasingly interconnected world. Understanding of relevant theoretical frameworks. Own practice: Reflection on the contemporary relevance of selected case studies and issues.
Inhalte	This module takes place on individual days divided into thematic segments. Significant examples from the history of design and their contexts will be discussed in light of relevant theories. The sessions will be organised around set readings, which will be examined and contextualised through seminar discussions and group work.
Bibliographie / Literatur	Readings will be set from session to session.
Leistungsnachweis / Testatanforderung	80% attendance. Active participation in seminars. Written assignment at the end of the semester.
Termine	Every Monday from 21 September until 14 December 2020. No classes on 28 September
Bewertungsform	Noten von A - F
