

Methodik: Creativity Process: A Sensory - Emotional Journey

Angebot für	Film > Bachelor Film > Projektstudium > Alle Semester
Nummer und Typ	BFI-BFI-MEp-02.21H.004 / Moduldurchführung
Beschreibung	Only fearless filmmakers will be able to get to the core of a story, fictional or documentary. Fearless means, to know your position from where you tell a story, to sense your relationship to your characters or the people you interview or follow with your camera. Spatial relationship is the core of filmmaking, the core of your very own creativity process.
