

Studio 2

Angebot für

Bisheriges Studienmodell > Design > Master Design > Interaction Design > 1. Semester

Nummer und Typ	MDE-VIA-MO-1002.04.23F.001 / Moduldurchführung
Modul	Studio 2
Veranstalter	Departement Design
Leitung	Dr. Roman Kirschner Anthea Östereicher
Zeit	Di 2. Mai 2023 bis Fr 9. Juni 2023 / 9 - 17 Uhr
ECTS	4 Credits
Voraussetzungen	none
Lehrform	Design Studio
Zielgruppen	Pflichtmodul 1. Semester Master of Arts in Design, Vertiefung Interaktion
Lernziele / Kompetenzen	Students will: - analyse and design of ecological interactions - develop interaction design concepts that address urgent environmental and social issues - explore and deepen each own creative and thematic interests by dealing with the topics and positions presented - become familiar with explorative and knowledge-oriented approaches and processes - let this discussion inform the individual master projects.
Inhalte	The emphasis of Studio II: Ecological Interactions is on analysing ecological phenomena with their social consequences and prototyping interaction ideas. In this project-based course, students will critically analyse and explore the tools, skills, and production methods of current and emerging technologies.
Bibliographie / Literatur	Literature will be announced in the seminar.
Leistungsnachweis / Testatanforderung	Active and regular attendance (min. 80%); practical course work; deliverables, presentations.
